Subject: Summit midstream partners spill N of Williston

---

Hi Karl, I am getting some inquiries from my upper management regarding the summit midstream partners spill north of Williston. Emilio is out today. Could you or the most knowledgeable person provide us with an update on your activities with the spill and what authorities you are using, planning on using? I would appreciate it. I will check out your website too. Thank you

I am at [REDACTED] today or email is good too.
